TEXTBOOKS

Textbooks are furnished by the state and are issued at the beginning of the year. Students who lose or damage a book while it is checked out to them will be expected to pay for it in the business office.

VISITORS

Because of our crowded conditions, students are not allowed to bring visitors to school. Visitors work a hardship on both teachers and pupils. Parents are always welcome, but are encouraged to make an appointment to see a teacher, the principal, or visit their children's classes.

QUIET AND ORDER

The observance of order is another help to the atmosphere of calm, and an exercise in wholesome self-discipline. Your locker is adequate for your books and any other school supplies, and should be kept neat. Cafeteria lines will move with order and efficiency if you are patient and polite in waiting your turn. Considerate of others, you will leave your table perfectly clean and your chair in place. The cafeteria is the only place where you may eat. No food may be eaten in the classrooms, gymnasium, and other parts of the school building.

ACCIDENTS

Every accident in the school building, on the school grounds, at practice sessions, or at any athletic event sponsored by the school must be reported immediately to the person in charge and to the school office.

Mrs. Bateman says do your homework or else!

FIRE DRILLS

Fire drills at regular intervals are required by law and are an important safety precaution. It is essential that when the first signal is given, everyone obeys orders promptly and clears the building by the prescribed route as quickly as possible. The teacher in each classroom will give the students instructions. (Fire drill routes are posted in each classroom)

BUS

Bus transportation is an important p[art] of the school system and in order that it be accomplished in a safe, orderly economical manner, certain regulations must be complied with. The bus driver is in charge of students, has authority to issue discipline reports, and will report any infractions to the school principal for action.

Students will ride only assigned bus.

STUDENT AUTOMOBILES AND PARKING AREAS

Students who drive a motor vehicle to school must know and obey the following rules:

Each student must register the vehicle each school year. Registration blanks may be obtained in the office.
Each student must display a parking permit as prescribed for the current year.
Each student must park in assigned parking areas.
Driving from the school grounds during school hours is not permitted.
Speeding or careless driving on the school grounds and on streets bordering the school is not permitted.
Parking in a no parking area is a direct violation.
Sitting in cars during the school day is not permitted. Students must leave their car within one minute after arrival at school.
Students may not enter the parking lot during the school day unless permission is obtained from the office.
No vehicles will be permitted in the physical education area by the 900 wing.

PARENT CONFERENCES

Parents may make *appointments* for conferences with teachers, counselors or the principal by telephoning the school at 846-2533.

DETENTION

Detention period is a time when [students] must stay after school for any infraction[s] of [school] rules. Detention may be assigned [by] teachers or administrators. Students [should] know that any teacher in the building has the authority to assign detention at any time. Therefore, it is considered [proper] to assign a detention to a student who [misbehaves]

Do you feel you have successfully reached all your goals at O.H.S. and how did you achieve them?

Name a person which you most admire and how they influenced you?

I admire my father. He has influenced me, as a role model, since the day I was born. I have a great amount of respect for him. He has taught me everything I need to know in life and how to be the best at it.

Do you feel you have successfully reached all your goals at O.H.S. and how did you achieve them?

My parents are the people who I admire the most. They have always pushed me to finish what I start. If it wasn't for them, I might not have accomplished the goals I set out to achieve.

The success story of a dynamic, influential, student-centered organization whose program of leadership and personal development is designed specifically for students enrolled in Marketing and Distributive Education.

DECA is the only student organization operating through the nation's schools to attract individuals to careers in marketing, distribution, merchandising and management.

DECA is further distinguished because it is a co-curricular organization structured to serve as an integral part of the classroom instructional program.

DECA's success and importance to the student, school, community and to the nation is based upon two main objectives:

- to further education in marketing, distribution, merchandising and management, which will contribute to occupational competence;
- to promote by every means possible understanding and appreciation for the responsibilities of citizenship in our free competitive enterprise system.

The DECA concept works . . . because DECA members:

- develop leadership characteristics
- develop the vocational understandings necessary to compete in marketing, merchandising and management careers
- develop self-confidence and self-esteem
- develop the highest ethical standards in personal and business relationships
- develop greater proficiency in communication
- develop an appreciation of the responsibilities of citizenship
- develop a healthy, career-oriented, competitive spirit
- develop social, civic and business responsibility.
- develop an understanding of the free enterprise system

KEYETTES

Keyettes have **"bunches"** *of Fun!!!*

Keyettes really have two functions: (1) promote school spirit, and a feeling of comraderie among the girls; (2) serve the community. We really try to do both well. We do posters and cheer for football and volleyball games.

We won the overall spirit stick for the season. We asked all department heads and coaches what we could do for them. We cleaned the language arts office, cheered for JV games and painted the support poles on the walkway. We have secret sisters and fun pot luck suppers.

We worked with HRS as our community project this year, and adopted Head-Start students, buying clothes and toys for them. We had car washes to get money to buy underwear for under privileged students in the elementary grades. We collected can foods every month for the spouse abuse shelter, we also gave Thanksgiving baskets and Christmas baskets.

Keyettes spend time, energy, and money helping our school and our community. We enjoy it!

ENCOUNTER QUIZ BOWL

The Osceola High Quiz Bowl team competes against Orange County schools in academic areas, such as Science, History, Math, English, Humanities, and even Trivia. (How many dimples on a golf ball?) although our school is smaller than it's Orange County counterparts, it often plays the role of David against Goliath, bringing down such giants as West Orange and Edgewater, proving Osceola High School superior academically, not just athletically. This year, our Quiz Bowl team will represent Osceola County at the Disney World Academic Team invitational.

The Future Business Leaders of America is a growing organization which emphasizes the development of leadership skills through activities and competitive events on the district and state levels are achieved. In order to be eligible for membership, a student must be enrolled in a business course, and have a "C" grade point average or better. Some of the club activities include designing a float for homecoming, sponsoring a club member in the Miss Photogenic contest, social events, attendance and competition in the District VI contests and leadership rally, competition in state contests, and raising funds through candy sales and car washes.

During the 1984-1985 school year FBLA members brought home 13 plaques, trophies, and certificates from competitive events. In the 1985-86 school year they won first place recognition in the Fall Leadership Rally held at Valencia Community College East Campus. They anticipate a good year at the contests in the spring because they have begun to prepare early. Sponsors for the club are business teachers: Mrs. Phillips, Mrs. Bouch, Mrs. Bateman, and Mrs. Stepp.

The club would welcome your membership. It is a club without cliques — a club that values the individual as (s)he builds self-confidence in leadership roles.

They had changed the name of the magazine and also had added literature to the publication. It took the staff a lot of determination and hard work to put out the best magazine that they could!

COACH BAKER

BAKER YEARS AT OHS

1981	*7-4*	*Rotary Bowl*
1982	*11-3*	*District Region Section Champions*
1983	*8-3*	*Citrus Bowl*
1984	*6-5*	*Elk's Bowl*
1985	*6-4*	

Coach Baker has decided to step down as head football Coach to spend more time with his family. He and his wife Ann have two daughters Beth Ann, 4, and Jenny Lee, 2, and are expecting their third child in May.

In 1982, Baker fit right into OHS, his first high school position, after being assistant coach at Temple, Washington-Jefferson, Villanova, and Syracuse.

In five seasons, Baker has compiled a record of 38-19. His biggest victory was the 1982 state championship at Titusville. A victory over St. Cloud 9-0 gave the Kowboys the AAA, District 6 championship-Osceola went on to defeat Forest 16-7 and Palatka for the state championship.

In 1983, the Kowboys had a good season finishing 8-3. They also won the Citrus Bowl after defeating Crystal River.

In 1984, the Kowboys finished 6-5 and played against Apopka in the Elk's Bowl.

Our 85 season ended with a frustrating game with Auburndale for the district championship.

Coach Baker will certainly be missed by everyone, he's always been ready to help his players continue their career in football. He's coached some good players; Monty Coats, Willie Knight, Dicky Sullivan, Tommy DuBose, Andy Amrhein, Lorenzo Rivers, Kenny and Tony Blanford, Billy Harris, William Pate, Marcus Paul, Chris Holmes, Todd Shipley, Keith Overton, and James Farley. On our 85 team; Ray Scavone, Thomas Pouncy, Joe Huston, John Dukes, Red Carter and Pete Baehman all hope to learn from his coaching techniques and enter college football.

So to a good friend, teacher, and coach — we at OHS say . . .

GOOD LUCK!!

GAME BY GAME SYNOPSIS

Compiled By: The Little Sentinel

OSCEOLA 30 HAINES CITY 0

Kowboy offense proved effective but the Kowboy's defense, labeled the Rambo Radiers, gave Haines City their 21st consecutive setback. Senior Joe Huston, who suffered a mild concussion at the Jamboree against Orlando Jones, didn't suit up.

OSCEOLA 13 NEW SMYRNA BEACH 8

Jeff Lane's 15-yard pass to sophomore Nathan Butler with 1:08 remaining kept Osceola (2-0) undefeated. Osceola netted 127 rushing and 89 passing as Lane completed 5 of 9 passes, two to Butler and three to Pouncy. So far in the season, Pete Baehman is Osceola County's top scorer with 18 points.

ORLANDO JONES 16 OSCEOLA 14

Jones' tactics led to the Kowboy's controversial 16-to-14 loss to ninth-ranked Jones. With 13 seconds left to play, and Jones leading 16-to-14, the Kowboys were prepared to try for a game-winning, three-pont field goal. Three times in a row, Jones intentionally encroached, known as being offsides, to cause a penalty. On Huston's fourth attempt, the snap was missed and Huston was sacked. Ray Scavone was Jones' worst nightmare with 11 solo tackles and assisted on 9 more.

OSCEOLA 13 FT. PIERCE CENTRAL 0

Rain, rain rain!!! The Kowboys had to cancel Friday night's Homecoming game to Saturday because of flooding around the area. The Kowboys rallied again behind an outstanding defense. Baehman, Pouncy, and Lane played a great game, Huston kicked 2 field goals.

OSCEOLA 14 LAKELAND KATHLEEN 10

Parents Night is the opener in the Class AAAA, District 6, Baker points out that this isn't just another game. A four-team district boils down to a 3-game, single-elimination tournament. David Hayes carried 20 times for 121 yards and scored the game-winning touchdown with 36 seconds remaining.

MELBOURNE PALM BAY 28 OSCEOLA 10

Another head-knocking game, the Kowboys seemed to "completely lose it" after a controversial fourth-quarter penalty that changed the complexion of the game. Tony Crawford turned in his finest blocking performance of the season, making ten dominating blocks against Palm Bay linebacker Ed Townsend.

LAKELAND LAKE GIBSON 33 OSCEOLA 21

Thrown off by past controversies, the Kowboys couldn't seem to completely shake off all their feeling from last week's loss. Go Kowboys — you put up a good fight.

OSCEOLA 28 COCOA 21

Joe Huston kicked 28 and 31 yards that helped pull Kissimee Osceola to a shaky non-district victory. Hayes rushed 162 yards on 17 carries and scored from the Cocoa 25. Lane kicked his first and only varsity point-after kick.

AUBURNDALE 28 OSCEOLA 19

David Hayes ran 63 yards for a touchdown. The Kowboys offense was good and our defense had several critical turnovers but Auburndale proved too tough. Auburndale won the district championship and went on to the State Semi-Finals before losing to State Champs, Pensicola Escambia.

OSCEOLA 24 ST. CLOUD 0

Victory is sweet! Termed a "Wild Kowboy Stampede", the defense played its best game of the year. Huston kicked first-half field goals of 32, 26, and 32 yards and kicked two into the end zone. Jeff Lane had 7 solo tackles and 4 assists. He returned 3 punts and caught a touchdown pass, his first touchdown reception in his 3-year varsity career. Pouncy completed 2-of-4 passes, including the 31 yard second-quarter touchdown pass to Lane. Hayes, who averaged 120 yards rushing, was limited to 58 yards on 14 carries.

The Man in the Glass

When you get what you want in your struggle for self
  and the world makes you king for a day,
Just go to a mirror and look at yourself
  and see what that man has to say.

For it isn't your father or mother or wife
  Whose judgment upon you must pass;
The fellow whose verdict counts most in your life
  Is the one staring back from the glass.

Some people may think you a straight-shootin' chum
  And call you a wonderful guy,
But the man in the glass says you're only a bum
  If you can't look him straight in the eye.

He's the fellow to please, never mind all the rest,
  For he's with you clear up to the end,
And you've passed your most difficult, dangerous test
  If the man in the glass is your friend.

You may fool the whole world down the pathway of life
  And get pats on your back as you pass,
But your final reward will be heartaches and tears
  If you've cheated the man in the glass.

Congrats! And Best of Luck, Graduates!
